Toy Celebrates March as Reading Month

Coordinates discount book prices for young readers at area bookstores

LANSING – Senator Laura Toy, R-Livonia, and area booksellers have teamed up to help young readers celebrate March as Reading Month by offering discounts on books at local bookstores.

“Reading Month is a wonderful way to focus on the importance and joy of reading with children of all ages,” Toy said. “With the help of local bookstores, children in the 6th District will receive a discount on books this month when they present a flier issued by my office.”

Through the efforts of Senator Toy, *The Books Connection* and *Waldenbooks* will offer discounts to young readers.

The Books Connection, located at 19043 Middlebelt Road, (248) 471-4742, will offer young readers a 20% discount during March.
